

ATTENTION - STUDENTS IN GRADES 9-12:

Listed below are the names of forty students who have earned the **“Academic Letters”** or **Gold Pins** for this 2019-20 school year from the **Glendale Education Foundation**. IF your name is on this list, please make plans to come up to the high school any upcoming **Tuesday or Friday (11:30 AM to 12:30 PM)** – during the food supply distribution time—**Beginning Tuesday, MAY 12, 2020**. All letters or pins are grouped by GRADE and packaged with the name of the student: so just inform the workers there that you’re there to pick up your pin or letter, your name and grade level and they will bring it to your car.
