The difference between our Foundation's **Annual Donor Reports** of *previous* years and calendar year 2020 is graphic evidence of the effect of cancelling last year's **GEF Golf Tournament**—reflecting in “thousands” of dollars LOST...as well as our corporate sponsors going from 120+ to *only nine*! **This makes us extremely grateful for these businesses/organizations, as well as the staff at Glendale School District—who generously stepped up to help us out in a very tough year!**
